## FAQs

### What are NewPointe Groups?

NewPointe Groups are where you can do life together with a group of people based around a shared interest or activity that includes praying, studying, and serving.

### Why join NewPointe Groups?

You and I were created to be together. Doing life alone is dangerous. When part of NewPointe Groups, you have the opportunity to care for others and be cared for, serve others and be served, pray for others and be prayed for. It is where you can be the real you and experience true, authentic community.

### Who can be part of NewPointe Groups?

Any adult can be part of NewPointe Groups, including your friends who don't attend NewPointe.

### Where and when do NewPointe Groups meet?

Each group decides where and when it wants to meet and is strongly encouraged to meet weekly. NewPointe Groups meet in homes, coffee shops, parks, etc.; however, no groups meet at the church, and groups that meet only once a month are not considered part of NewPointe Groups.

### How can you get connected to NewPointe Groups?

Our online Group Finder makes it convenient to explore available groups, filter for groups that meet your needs, and request more info from the NewPointe Groups facilitator who will personally reach out to you.

### Who can start a NewPointe Group?

Adults interested in starting a NewPointe Group can complete the "Start a Group" form found on the web at [newpointe.org/groups](http://newpointe.org/groups), and a NewPointe staff member will contact you. They will help you understand and complete requirements necessary for starting a group.
