

Virtual Scavenger Hunt

Two ways to play:

1. Tell the group members the instructions ahead of time, find your items before the group starts, and then play the game when the group begins.
2. Wait until your group begins, tell everyone the instructions, go find the items and then come back to the screen.

Instructions:

1. Have all group members find an item in their house that begins with each letter of the alphabet. A - Z (feel free to only do half of the alphabet!)
2. Everyone shares their items one letter at a time.
3. Each person keeps track of their own points.

How to win:

- 1 point for each item
- 2 points for a double letter item (ie: unicorn umbrella)
- 0 points if someone else in your group has the same item
- Person with the most points at the end wins!
- If there is a tie, the most unique item wins (group votes)!
