PARENT FAQs

What is MIX?

MIX is a 4-day summer event specifically designed for students in grades 6, 7, & 8. It is intentionally crafted in ways that will engage middle school students through tactile, interactive, and fun activities coupled with Bible-based teaching and small group interaction.

What is this year's theme?

This year's theme is "Kingdom Workers" and will walk students through the book of Ephesians. The heart behind the theme is helping students understand that they are deeply loved by God, created with purpose, and invited to actively live out their faith right now—not someday in the future.

Throughout the week, students will discover that following Jesus is more than just attending church or believing the right things. God calls each of us to join Him in His work—serving others, sharing hope, building community, and living differently because of Jesus. MOVE wants students to see that they are not too young to make an impact and that God can use their gifts, talents, and story to influence the people around them.

Where is it?

Indiana Wesleyan University in Marion, Indiana.

Who is going?

Middle school students from all six NewPointe campuses, their friends, their small group coaches, campus support staff, and their Student Directors.

What are the sleeping arrangements?

We stay on campus in air-conditioned dorms. Girls are in a girls' dorm and boys are in a boys' dorm. Every room will be monitored by an adult leader. We have a zero-tolerance policy for boys in girls' rooms and girls in boys' rooms. This will result in immediate dismissal from camp, and parents are responsible for immediate transportation home if this happens.

Can my student choose who they room with?

The Student Director team works to put together the best possible rooming arrangements. Students will room with students who are part of their small group from NewPointe. We cannot promise who a student will room with, but we guarantee each student will have at least one close friend on the same floor. Once we arrive on campus, all rooming assignments are final.

What if my child has special dietary or medical needs?

Please indicate current dietary needs, medical needs, and medications on the registration form and let your Student Director know. All efforts will be made to meet every student's dietary needs and accommodate for food allergies. When dropping your student off for this trip, please provide all medications during check-in so we can help manage medical and medication needs over the week.
