TIPS FOR PRAYING WITH YOUR STUDENT

## For Parents of Middle and High School Students

One of the greatest ways you can impact your student is by taking the time to intentionally invest in your faith each day. Make a focused effort to share with your student what you are learning as you progress through this guide. Then use the moments in your day (see below) to connect with your student and their faith. Remember that God is FOR you and your student!

*For God has not given us a spirit of fear and timidity, but of power, love, and self-discipline.*  
2 Timothy 1:7

## Timely **Conversation Starters**

### **Morning (before school and work)**

Take five minutes to pray together over your student's day and your day. Pray for courage, strength, and wisdom to live out your faith through every situation you will face.

### **Dinner/Car Ride (after school and work)**

Take ten minutes to discuss how you applied that day's principles shared in the 21 DOP guide to live out your faith. Make sure to celebrate the courage and growth you're seeing in your student!

### **Before Bed**

Take five minutes to pray with your student to thank God for how He has blessed you and your student. Think of one thing you and your student are grateful for from that day's events. Hearing what each other is thankful for is a great reminder of God's faithfulness!
