## Registration Details

Registration will open Sunday, February 4, at 7 PM. We expect this event to sell out, so we don't recommend waiting.

- Visit [newpointe.org/events](https://newpointe.org/events) to register and pay
- Kids Camp is \$50  
*This cost covers food, travel, games, activities, and MORE!*

## Travel Details and Preparation

Our Kids Camp is located at the Dover campus. This is a great opportunity for kids from across NewPointe to come together for an awesome time. To make it as accessible as possible, we provide transportation from home campuses to the Dover campus. When you arrive at your campus, you will park close to the main doors and enter to check your kids in. Once your kid is checked in, you are free to leave. Just don't forget to pick them up at the same location!

You may choose to drop your child off directly at Dover. To do so, you must select that option during registration.

## Medical Needs

We will have a nurse on site during the event to disperse medications and first aid if needed. Parents will be notified immediately if an emergency occurs.

## Contact Info

During the event, you can contact Meredith Mateer at 567.207.7579 in case of an emergency. If you have other questions after reading the FAQs, contact your campus Kids Director for more information.

## Behavior Expectations

Parents, please have a conversation with your child about the following expectations, and reinforce them, as they will hear these while at camp.

- Respect other people's stuff and space
- Be respectful and kind toward everyone you meet
- Stay with your small group leader and follow instructions

## What is my child going to eat at camp?

We are still working on finalizing the menu based on registrations, but we can assure you that we are working hard to find the balance between child and parent preferences.

Meaning that we won't be serving candy and ice cream sundaes, but it also won't be a salad bar. We are planning for kid-friendly foods that will replenish and sustain them. We will also safely accommodate all allergies.

## What does my child need for camp?

- Labelled water bottle to refill
- Dressed in comfortable play clothes
- Shoes that are good for running and can get dirty
- Any medications they might need (inhaler, epi pen, etc.)
- **Do NOT bring** weapons/knives, computers/tablets, or any kind of fire-starter

## **PARENT FAQs**

### **What is Kids Camp?**

Kids Camp is a 3-day summer day-camp event specifically designed for kids entering grades 1, 2, 3, 4, and 5. It is intentionally crafted in ways that will engage and excite elementary kids to deepen their faith and relationship with God and others.

### **Where is it?**

Kids Camp will take place at our Dover campus. We believe there are huge benefits to getting kids from all of our campuses together. This is also the best way to capitalize on our resources.

### **Who is going?**

Elementary kids from all 6 campuses, friends, Kids Ministry Directors, small group coaches, and other volunteers.

### **Can I help?**

YES! We are always looking for adults who love kids and are passionate about helping them know Jesus to help lead in our kids' environments. Talk to your local Kids Ministry Director or email Meredith Mateer at [mmateer@newpointe.org](mailto:mmateer@newpointe.org) to sign up to help with Kids Camp!

### **What is this year's theme?**

**Start the Party!** Jesus gives us the most amazing reason to party. That's why we believe God's love and the gospel of Jesus are the best news ever.

### **Can my child invite friends who don't go to NewPointe?**

YES! This event is perfect for every child. It doesn't matter if they go to church or not. This is a great way for kids to invite their friends to church and introduce them to Jesus.

### **What if my child has special dietary or medical needs?**

Please indicate current dietary needs, medical needs, and medications on the registration form. We will accommodate all dietary needs and food allergies for our meals. When dropping your child off, please provide all medications during check-in so we can help manage medical and medication needs.
