KEY VERSES AND QUOTES

He did this so that all the peoples of the earth might know that the hand of the Lord is powerful and so that you might always fear the Lord your God. Joshua 4:24 NIV

You can't get where you need to go without starting properly.

Two critical daily decisions we can make to help us arrive at the place God desires are to remember and relent.

The discipline of remembering is one of the most critical components for our faith to thrive.

To relent is to lay what I think is best/right aside to follow God's way.
