TALK IT OVER

When Jesus makes life better and makes us better at life, He most often does it through people. Outside of your own family, who is someone who has made your life better/you better at life? What does it mean to guard your worship? Worship is not something we do on Sunday morning—it's something we do every day with our hands, feet, and mouth. How are you currently doing that? What would it mean for you to worship with your hands and feet in compassion overseas? You could sponsor, write, visit. Which appeals to your heart most at this time? What could you do? What is most appealing to you about starting a relationship with someone through Compassion? What concerns do you have?
